UNIVERSITY ACCOMMODATION
CONDITIONS, STIPULATIONS AND GENERAL INFORMATION**

The following details and provisions are for the information of students and their parents. **Please note that ignorance of these provisions cannot be offered as an excuse.**

1. University accommodation

- 1.1. A TuksRes Guide which consists of additional information regarding procedures, rules and regulations is made available on the web. The onus will rest on each student to ensure that they receive this guide. The University reserves the right to make changes as it deems fit.
- 1.2. Only students who are registered for full-time study for a degree or diploma course at the University, fulfil all the admission requirements for such a course, and are not in full-time employment, may live in a University residence. Admission to a residence does not guarantee a student admission to a course of study.
- 1.3. Single persons only are admitted and undergraduate students may obtain admission to an undergraduate residence up to and including the age of 24.
- 1.4. Only students who already have a degree or three-year diploma will be considered for postgraduate accommodation.
- 1.5. The University reserves the right to accommodate a student in any residence and to transfer a student to another residence. Applications for transfer from one residence to another will only be considered in exceptional cases.
- 1.6. During July/August of each year, students in residences are given the opportunity to apply for readmission to the residence for the following year. If readmission is required, a place is reserved subject to academic achievement within the category of senior students in each residence, conduct and fulfilment of financial obligations. On readmission, the University contract is continued by implication and it applies together with all its conditions and provisions for the subsequent year/s.

2. Reservation levy and departure

- 2.1 A student who is admitted to a University residence for the first time must pay a reservation levy of R5700,00 by the date as indicated on the placement letter.

- 2.3 A student, who stayed in a University residence the previous year, must pay a reservation levy of R5700,00 by the date as indicated on the placement letter and must also ensure that all outstanding fees have been fully paid.
- 2.4 Should you neglect to pay your reservation levy by the date as indicated on the placement letter; your place in the residence will be cancelled and allocated to the next suitable candidate on the waiting list.

- 2.6 Students who are dependent upon a bursary and/or loan for their studies must make satisfactory financial arrangements with the University.
- 2.7 If, for whatever reason, a student does not take up the reserved accommodation, TuksRes must be advised immediately.
- 2.8 Accommodation is accepted and provided for a full academic year, covering the period from the opening of the residences in January/February to the conclusion of the University examinations (**recess/holiday periods excluded**), but never later than the official closing date for residences. This means that students completely evacuate their rooms during the April and July holidays. Storage facilities are provided at own risk for property that cannot be taken home.
- 2.9 Should a student have moved into a UP Residence and not be registered by 15 February, the student must move out of the relevant residence within 48-hours. Failure to do so will result in his/her room/unit be locked and no longer accessible. The student can make the necessary arrangements and he/she will be accompanied by a University staff member to remove his/her belongings. Should the belongings not be claimed and/or removed, the belongings will be removed by University staff and stored elsewhere for a limited period.
- 2.10 At the end of each term, students must depart from the residences as follows:

Failure to do so will result in his/her room/unit be locked and no longer accessible. The student can make the necessary arrangements and he/she will be accompanied by a University staff member to remove his/her belongings. Should the belongings not be claimed and/or removed, the belongings will be removed by University staff and stored elsewhere for a limited period.
- 2.12 Departure/moving out of residence: Students who wish to leave the residence must give 30 days' notice of departure via their Student Centre on the UP Student Portal. - 2.13 Students who depart after 15 September will not be refunded for accommodation.
- 2.14 Students are accountable for a full month (30 days) notice period, irrespective of whether it is done of their own free will or as a result of unsatisfactory academic progress or conduct. A student will thus be held financially accountable for the duration of stay plus one months' notice.
